### What matters to you

Your priorities are chosen quarterly and are based upon information gathered through NHL (Neighbourhood Link), social media, local engagement, and emerging crime trends. You have stated that the following key themes are important to you. [#YouSaidWeDid](#).

## What we have done #YouSaidWeDid

Officers patrolled regular anti-social behaviour hot spots in line with their beat priorities, we are pleased to report that there were no issues throughout October.

Community "meet the team events" were held in Moira and Measham and Donisthorpe, these events were well attended and thank you to everyone that came to see us. These events are a good opportunity to meet the beat team and ask any questions or raise concerns you may have. Please see below for community engagement events being held in November.

Please look out for regular messages on Neighbourhood Link as these are vital if you want to keep updated regarding what is happening in your area.

### FROM ROAD SAFETY TO COMMUNITY SAFETY

On 16/10/24 the Ashby and Forest Beat Teams combined their efforts and achieved two objectives.

Officers visited 3 locations namely Marlborough Way and Measham Road in Ashby and then went onto Acresford Road in Donisthorpe.

Vehicle speed checks were conducted at these locations and the results show that the Road Safety Beat Priority is working.

Out of a total of 171 vehicles checked only 7 were travelling in excess of the speed limit.

Positive but proportionate action was taken against transgressors with warning letters, verbal advice and speeding tickets being issued. Thank you to the motorists that were travelling within the speed limit. Further speeding checks have been arranged for November.

The Teams afternoon duties took a different turn with the discovery of a cannabis factory in a house in Measham being located by officers. Over 200 plants were seized, and 4 males were arrested.
